Automotive / Logistics / Craftsmanship / Electronics / Light Industry / Engineering / Mechatronics / Warehousing

TOE-CAP

DESCRIPTION

CONCRETE is an entry-level BOOT, protection class S3 SRC, made of embossed water-repellent leather, for any working purpose

COMPONENTS

Steel toe cap Inox Impact resistant up to 200J according to EN 20345

Perforated insole in EVA and honeycomb fabric, breathable, anatomical, antistatic; it provides support thanks to different thicknesses along the entire plantar surface and ensures good breathability thanks to the perforation in the front part of the sole
